

January 2021

Dear Student,

The Scholarship Foundation of Wakefield provides assistance to ***Wakefield residents*** needing financial aid to attend post-high school educational institutions as ***full time students***. Our grants are intended to supplement an overall financial aid package and are to be combined with family contribution and other forms of financial aid such as college grants, loans, or work-study programs to meet the cost of education.

Your FAFSA Electronic Student Aid Report (SAR) is REQUIRED.
Be sure to include the confirmation page, as well as the data sheets.

Each applicant must complete the attached TSF of Wakefield Student Application as well as Submit a Copy of his/her FAFSA Student Aid Report (SAR). The information on the report will be used to calculate the amount of the family's expected contribution. We will determine your eligibility for a grant based solely on your own and your family's financial resources.

Every application is prepared for review by removing all family names and assigning an ID number in order to maintain the anonymity of the applicant. The Scholarship Needs Committee determines the financial need of each applicant by comparing the cost of the tuition and fees for the college, with the financial resources of the family and student. The Committee then compares the financial need of each applicant to the needs of all applicants and awards the scholarships to those with the greatest need.

The Scholarship Needs Committee, in making its final judgment, must be sensitive to the particular circumstances expressed in each application. There is no substitute for individual judgment. It is important to complete all pages and sections of the application including adding any additional comments on the back of the application.

- **Financial Documents:** Write your Name, Address, and the School you will be attending on the first page / confirmation page of your FAFSA Electronic Student Aid Report. Attach the FAFSA Data Pages that are included in your Electronic Student Aid Report (SAR) to the confirmation page. Mail the FAFSA SAR to: TSF of Wakefield, P.O. Box 321, Wakefield, MA 01880. Be sure your FAFSA document clearly identifies your Full Name, Street Address, School that the scholarship is requested for, and your Expected Family Contribution (EFC) Amount. It must be postmarked no later than March 31, 2021.
- **Student Application:** Return the completed TSF of Wakefield Student Application no later than March 31, 2021, to: TSF of Wakefield, P.O. Box 321, Wakefield, MA 01880.

These items (financial document and student application) can be mailed together in the same envelope.

Feel free to contact us at (781) 245-4890 or by email at tsfofwakefield@earthlink.net with any questions or concerns you might have. This application is also available to download from www.tsfofwakefield.org.
