

January 2022

Dear Student,

The Scholarship Foundation of Wakefield provides assistance to Wakefield residents needing financial aid to attend post-high school educational institutions as full-time students. Our grants are intended to supplement an overall financial aid package and are to be combined with family contribution and other forms of financial aid such as college grants, loans, or work-study programs to meet the cost of education.

Your FAFSA Electronic Student Aid Report (SAR) is REQUIRED.
Be sure to include the confirmation page, as well as the data sheets.

Each applicant must complete the attached TSF of Wakefield Student Application *as well as* Submit a Copy of his/her FAFSA Student Aid Report (SAR). The information on the report will be used to calculate the amount of the family's expected contribution. We will determine your eligibility for a grant based solely on your own and your family's financial resources.

Every application is prepared for review by removing all family names and assigning an ID number in order to maintain the anonymity of the applicant. The Scholarship Needs Committee determines the financial need of each applicant by comparing the cost of the tuition and fees for the college, with the financial resources of the family and student. The Committee then compares the financial need of each applicant to the needs of all applicants and awards the scholarships to those with the greatest need.

The Scholarship Needs Committee, in making its final judgment, must be sensitive to the particular circumstances expressed in each application. There is no substitute for individual judgment. It is important to complete all pages and sections of the application including adding any additional comments on the back of the application.

Submit all documents listed below to TSF by March 31, 2022:

By Mail: TSF, P.O. Box 321, Wakefield, MA 01880 - **or** - In person: 2nd floor, Americal Civic Center
